No worries. My email has been acting up all day. Just starting working after 11am.

I meant to send this to you, **Ex. 6 Personal Privacy (PP)**. I am starting to have a lot of problems sending emails from my laptop.

Ex. 6 Personal Privacy (PP)

I agree with **Ex. 6 Personal Privacy (PP)**. However, I do not think that anyone had drafted any "listserve/webpage language" yet.

I will compile a list of any HOF cases early this afternoon. I need to start doing PeoplePlus reviews/approvals first because I am starting to get kicked off the internet every once in a while and I neere I lose access.

I think [Ex. 6 Personal Privacy (PP)] I can cover the CDX communication (IMD is training us at 3:00 today).

Thanks, [Ex. 6 Personal Privacy (PP)] I think you're right that IMD participation may not be critical for today. However, I'll defer to [Ex. 6 Personal Privacy (PP)] if we need IMD feedback on Lynn D's agenda item on the final CDX communication plan.

All---if today's meeting happens at 3:30 instead of 4:00pm, we will not be able to participate. Based on what I see below, this doesn't seem to be an issue for today. If there's something anyone wants from us in advance, please just say the word.
Thank you.

Importance: High

All,

There is a schedule conflict with today's 4pm NC meeting with [REDACTED]. There is an OCSPP management meeting with [REDACTED] that both [REDACTED] are asked to participate. I believe [REDACTED] moved the meeting to 3:30pm but I don't if this works for [REDACTED] yet, and waiting on confirmation. Assuming we have the meeting at 3:30, below the agenda and materials. Please let me know if there are any changes by 2:30pm.

[REDACTED], we still need the following for CCD:

- "Hair on fire" list
- Lynn D added a new agenda item "Final sign-off on CDX communication plan and listserve/webpage language" – are we prepared to report on this to [REDACTED] and then Lynn D?
- CCD NC daily update for [REDACTED] (please send to me, copy RAD by COB today)

3/24 Agenda:

- Review [REDACTED] report
- Update on "red" and "yellow" cases in Incoming queue (RAD and CCD)
- Update on "hair on fire" cases (CCD)
- Verbal updates - RAD and CCD daily NC cases
- Final decision on agenda for OCSPP NC meeting (Thursday at 2:15pm)

Materials: (attached)

- [REDACTED] report (ran on 3/23 at 7am)
- RAD daily update (sent to [REDACTED] on 3/23)
- CCD daily update (went to [REDACTED] on 3/23 at 6pm)
- Draft OCSPP NC meeting (includes two new agenda items from Lynn D.)
